1375 Confirm minutes of the meeting held on 21st July 2010

Approved

1376 Matters arising from the minutes

1363 Councillor Jones requested that he is registered as present at the last meeting.

Resolved: to be discussed at the next meeting.

1368 iv) Mr J. John reported that most of the hedges have been cut back apart from a short length opposite Seion Chapel.

1371 i) The secretary had met with the officials with the Parks Dept. that a "Nebula" frame be installed by the council costing £1700 pounds. This money is to be deducted from the £2,000 from the defunct Skateboard Club leaving £300 for future park equipment when it becomes available.

1371 iii) The fun day that was held on the 29th August was a success.

1372 ii) Secretary had spoken to the Highways Maintenance Manager regarding the drainage issues at Waungron. A camera survey had been carried out and an obstruction

(timber) had been removed. No further action is proposed. Only option available is to upgrade all the drains and culverts, however as the whole of Swansea is in need of upgrading and with the financial situation in the City and County of Swansea there is very little likelihood of this being done anytime soon, if at all!

1372 iii) The hole still has not been filled.

Resolved: Further communication to be made with the Highways dept.

1377 Local members report

Nothing to report

1378 Ten minute public questions

No one present

1379 Secretary's report

Nothing to report.

1380 Any Other Business

i) Pengelli AFC has requested financial support towards the spiralling costs of maintaining their presence in the village.

Resolved: members are agreed in principle but wish it to be discussed further at the next meeting.

ii) Mr D. True reported that members of the public had reported to him that a shell of a car had been placed in a neighbours garden in Coalbrook Road.

Resolved: further details to be obtained and discussed at the next meeting.
