Ten minute public questions

She received a further email from W B Davies requesting that we discuss the speeding issues throughout the village following a ‘near miss’ on the stretch of road between Grove Farm Road and Waungron. He shared information that he had received back from Swansea Council advising that there have been no collisions in the last 5 years where injury has occurred within Grovesend and Waungron and in these circumstances it is unlikely that road safety measures will be prioritised. They suggested raising concern with GoSafe. During our meeting we discussed the concerns. **Decision:** It was agreed that the Clerk would contact the GoSafe team to find out more about the Community Speedwatch Scheme and what involvement it would require. It was also suggested that individuals who are experiencing issues with speeding should report these incidents with the licence plate (where possible) to the police, as an increased number of complaints may encourage further action to be taken. **Action:** Clerk to raise this issue in a Facebook post to draw community attention on how to report these incidents.

Financial Updates

Audit of Accounts – Annual return for the year ended 31 March 2026

Prior to the meeting the Clerk sent to Members all documents relating to the annual return for the year ended 31 March 2026. This year’s audit includes a basic audit. In addition to the standard documents requested from Audit Wales they have also requested the following documents: - a copy of the annual report for 2024-25, an explanation of the budget monitoring and how we set our budget and a copy of the internal auditor’s report and the agreed terms of reference. Planning of this year’s Summer Fayre was underway and the Clerk has set up a small group to help with the organisation of the event. The County Councillors has agreed to give a donation of £2000 to help with the event and a donation of £100 from Krislyn Motors and £300 from Friends of the Park has also been committed. Our main aim is to fully fund this event to allow everyone to have food and fun for free. We have also submitted an application to Swansea Council for the Summer Wellbeing Grant and awaiting a decision. Clerk requested that if we have a shortfall of committed funds that we could potentially use

some of the VAT refund received. **Decision:** Members agreed to this if required.

The Clerk received the quote for this year's wildflower planting at a cost of £213.27 plus VAT.

Decision: All Members agreed to the quote.

She read out an email she had received from 2 parents of children in year 6 at Pengelli Primary School asking if we could help with the costs of their leaver's celebrations. A discussion was held and Members felt that the pupils of Pengelli Primary have worked really hard in supporting and being fully involved in our Community Events, in particular their commitment to our St David's Day Celebration event.

Decision: It was agreed that we would give a donation of £200 towards the venue.
